# What are **SYNCRUDE SUMMER ADVENTURE CAMPS?**

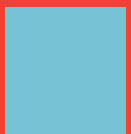

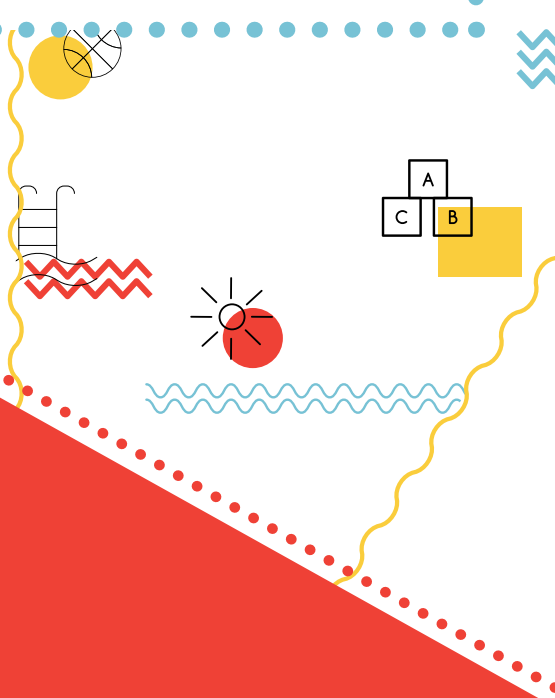

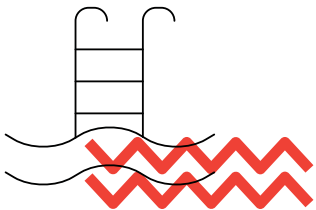

Syncrude Summer Adventure Camps are week-long camps that take place during summer break at MacDonald Island Park.

Thanks to the support of Syncrude, Summer Adventure Camps will be provided at a discounted price to kids in Wood Buffalo again this summer! Kids of all age groups can choose from multi-activity day camps focused on adventure, expression, excitement and positive learning through creativity and play.

Syncrude Summer Adventure Camps activities include interactive games and activities, crafts, water play and more!

Week-long camps are offered between July 5 and September 3. All camps are fully supervised and run by qualified, trained MacDonald Island Park camp leaders and instructors.

# What to know **BEFORE YOU GO**

## A guide to happy campers

To help make the first day of camp go as smoothly as possible, we recommend campers arrive 15 minutes early. This will help campers settle in quickly while their parents/guardians fill out the necessary paperwork. Each day thereafter will include a quick sign in process and campers will be on their way!

We strongly encourage all campers to wear suitable clothing and footwear for the camp. Unless it's specified, we encourage campers to dress in active wear clothing, be prepared for outdoor play and ensure to bring indoor footwear. The day is much more fun when you are comfortable!

If your child has disabilities, please contact us directly at [MIPAdventureCamp@rrcwb.ca](mailto:MIPAdventureCamp@rrcwb.ca) to discuss how we can accommodate their participation and maximize their experience in our summer camps.

Make sure your email is up to date with our Guest Services team! We will email a camp guide/parent handbook with all the necessary information including what to bring, expectations and the camp schedule. What if you don't receive it? Don't worry! We will ensure to have extra copies on the first day of camp for parents to take home with them.

**Any other questions? Please do not hesitate to contact Guest Services today and we will be sure to direct your call to the appropriate Camp Supervisor.**

Please review the Syncrude Summer Adventure Camps Parent Handbook before registration, and be ready for a summer of FUN!
