Good to know BEFORE YOU GO

A guide to happy campers

To help make the first day of camp go as smoothly as possible, we recommend campers arrive 15 minutes early. This will help campers settle in quickly while their parents/guardians fill out the necessary paperwork. Each day thereafter will include a quick sign in process and campers will be on their way!

We strongly encourage all campers to wear suitable clothing and footwear for the camp. Unless it's specified, we encourage campers to dress in active wear clothing, be prepared for outdoor play and ensure to bring indoor

footwear. The day is much more fun when you are comfortable!

If your child has disabilities, please contact us directly at communications@rrcwb.ca to discuss how we can accommodate their participation and maximize their experience in our summer camps.

Make sure your email is up to date with our Guest Services team! We will email a camp guide/parent handbook with all the necessary information including what to bring, expectations and the camp schedule. What if you don't receive it? Don't worry! We will ensure to have extra copies on the first day of camp for parents to take home with them.

Any other questions? Please do not hesitate to contact Guest Services today and we will be sure to direct your call to the appropriate Camp Supervisor.

Visual Art CAMPS

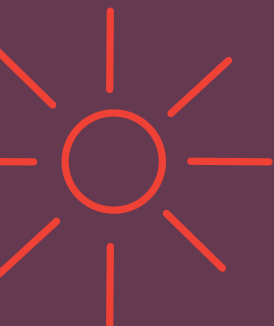

Join us this summer and get creative! We will explore visual arts, dance, theatre and music! Use a wide range of art materials, learn new skills and experiment with different creative approaches. Our small class size of 18 students ensures that each child receives individual attention, and is encouraged to advance at their own pace. Although each week will be artistically based and have a different theme, all camps will include fun and playful activities. Activities will take place in our fully equipped studios, our state of the art facilities, as well as the MacDonald Island Park outdoor grounds when we head outside to enjoy the arts in their natural forms. Our campers will learn from a professional artist and take home a creative art portfolio!

Golf CAMPS

Why golf is great for children

- 1. Wellness for life
Golf is a sport that allows youth to get be active while having fun! When you play golf, walking the golf course and carrying your bag, a 150-pound person burns 350 calories and walks more than 10,000 steps.
- 2. Spend time with family
Golf is a game that encourages family participation.
- 3. Learn etiquette
Golf places an emphasis on etiquette. In golf there is no judge or referee; instead, players govern themselves and fellow competitors.
- 4. Prepare for business
Golf is a sport that helps prepare kids and teens for careers in business and other professional arenas.
