

MIP Go Pass Program

Opening the door to exciting experiences, the MIP GO Pass is an access program that provides individuals and families the opportunity to explore all that MacDonald Island Park has to offer. Discover fun things to see and do, free of charge!

Free for Wood Buffalo residents aged 11 years and older, the MIP Go Pass provides access to the facility for a one-week period, and can be borrowed through the Wood Buffalo Regional Library (WBRL) located at MacDonald Island Park in the Suncor Community Leisure Centre.

There are four passes available for community members to borrow each week. MIP Go Passes offer one-week access to the MacDonald Island Park facility and can be used by the whole family or as an individual.

How to Get Access to the MIP Go Pass

To borrow an MIP Go Pass, you must be a Wood Buffalo resident aged 11 years or older with a valid Wood Buffalo Regional Library card.

Using your library card, you can [place a hold](#) on the MIP Go Pass via the library's online catalogue. If you're not sure how to do this, please ask for assistance at the library or call 780-743-7800.

If you do not have a library card, you can apply for a FREE card at WBRL.

You may only have one hold request for a MIP Go Pass on your library card at any time.

You can check to see your position on the wait list from your WBRL account. Once your hold is available, you will receive notification that the MIP Go Pass is available for pick up. You must sign up for email notification in order to receive this service.

Picking Up Your Pass

You can pick up your pass and start using it on the first day it's available.

Once picked up, your pass will be checked out to you and will become valid at the start of the borrowing period. The pass will automatically expire one week from that date.

We recommend that you pick up your pass on the first day of the loan, that way you'll have the most time possible to enjoy all that MIP has to offer. If you can't pick up your pass on the first day, don't worry, it will remain on hold for two days.

For more information about the MIP Go Pass program, contact MacDonald Island Park at 780-791-0070 or visit macdonaldisland.ca/gopass.

Using Your Pass

Once your pass is available, the pass will be checked out to your library card for a seven-day period.

You can pick up the pass anytime during this period, however the pass expires one week after the date of check out. Pick up your pass as soon as possible to ensure that you can use it as often as possible.

How many times you visit MIP during your pass loan period is up to you. Some participants visit as much as possible to try out new or interesting activities.

- The first time you visit, present the MIP Go Pass and checkout receipt at the MIP Guest Services desk along with one piece of identification (e.g. Your WBRL library card, valid driver's license or school ID). The Guest Services representative will register you as a member of MIP and provide you with a membership card to use for the week.
- Upon activation, the pass must include a current checkout receipt, or it will be considered expired.
- Lost passes or checkout receipts cannot be reissued.
- Each time you visit, present your membership card at the Guest Services desk and a Guest Services representative will provide a wristband for access to the facility.
- Once the one-week pass is expired, please return your expired pass to Wood Buffalo Regional Library.
- Each time you visit MacDonald Island Park, the library card holder must be present for the pass to be valid.
- Wood Buffalo residents may borrow the pass only once per calendar month for a total of 12 check outs per calendar year.
